Series Title	TV Episode	Season	Episode	Subs	Dubs	Genre	Runtime	Synopsis	Rating
The Flash	Armageddon, Part 1	8	1		ENG	Action	1:00	Barry Allen is a Central City police forensic scientist with a reasonably happy life, despite the childhood trauma of a mysterious red and yellow lightning killing his mother and framing his father. All that changes when a massive particle accelerator accident leads to Barry being struck by lightning in his lab. Coming out of coma nine months later, Barry and his new friends at S.T.A.R Labs find that he now has the ability to move at superhuman speed. Furthermore, Barry learns that he is but one of many affected by that event, most of whom are using their powers for evil. Determined to make a difference, Barry dedicates his life to fighting such threats, as The Flash. While he gains allies he never expected, there are also secret forces determined to aid and manipulate him for their own agenda.	TV-PG

Roswell, New Mexico	Steal My Sunshine	4	1		ENG	Drama	1:00	After Liz and Max's triumph over Max's clone, Jones, at the end of Season 3, it seemed a bit of happiness is finally ahead of them. But little did they know a new threat was emerging down in Mexico when a newly awakened alien arrives. With this mysterious new alien on a collision course with our heroes, we'll discover that Jones might be gone, but his plan might just live on. Meanwhile, a new mystery that mimics the Roswell crash of 1947 forces Alex and Michael to balance personal goals and undercover work; Maria's potential cure for her regenerative disease comes with a shocking twist; and Dallas, Isobel and Kyle discover how their families might all be connected. All these new revelations unfold as our sleepy town of Roswell, New Mexico wakes up to a daring daylight bank robbery that just might shed new light on the 1947 crash and what Max's true purpose has been all along.
